Announcement of Appointment of Superintendent of Schools

The Public Schools of Northborough and Southborough are pleased to announce that Gregory L. Martineau, Assistant Superintendent of Schools, was approved last evening in an open meeting of the Combined School Committees as the next superintendent for the district. Mr. Martineau will begin his new role July 1, 2019, pending successful contract negotiations. Superintendent Christine Johnson announced her retirement in September as of June 30, 2019.

He has served in his current role in the districts for four years and before this position was a former Elementary Principal in Hopkinton and Leicester, Technology Director in Hopkinton and Leicester, a technology integration specialist in Shrewsbury and a classroom teacher in Westwood Public Schools. Mr. Martineau holds a BA in Education from Northern Vermont University, Masters in Education from Lesley University and a Certificate of Advanced Graduate Studies from Clark University.

Opportunities to meet with Assistant Superintendent Martineau will be announced shortly. His appointment follows outreach to stakeholders in the form of surveys and focus groups by our school committees in collaboration with Massachusetts Association of School Committees (MASC).

Respectfully,
Paul H. Desmond, Chairperson, Superintendentcy Union #3
Helynn B. Winter, Chairperson, Northborough-Southborough Regional School Committee
