Coalition for Equity

The Public Schools of Northborough and Southborough are establishing a Coalition for Equity to build community partnerships focused on issues of equity in our Districts; create the conditions for courageous conversations to support collaborative learning about inequality; and identify and develop resources to support learning and action.

We are seeking the following members interested in serving on the Coalition for Equity:

- Two school committee members from each district (6)
- Four parents from each district (12)
- Two educators from each district (6)
- Two Algonquin Regional High School students (2)
- Two principals from each district (6)
- Two members at large from each community (4)

Please complete the information required using the link below:
