Dear Parent(s) and Guardians:

I am pleased to announce that tomorrow evening, Monday, September 14, 2020, the District will be hosting a community forum with the Medical Advisory Team (MAT), from 6:00 PM to 7:30 PM, via Zoom. Our District has significantly benefited from the expertise and guidance from the MAT. The Team has volunteered many hours to ensure our students, faculty, and staff safety as we prepare to reopen our schools. I can't thank the Medical Advisory Team enough for its support and expertise. Tomorrow evening's forum is an opportunity for families to ask the District's MAT questions and learn more about the Covid-19 Virus.
